

Dear supporter

In May 2018 legal changes to the data protection requirements come into force. We are communicating with you because we store some of your personal information for the purposes of sending you our monthly prayer letter, as well as general information regarding mission workers and the development of the mission.

Conditions

- We do not share any of your personal data with third parties.
- You can request that we provide you with a copy of all your personal information that we store.
- We will hold the information for the duration of your support.
- You can request for us to delete or change your information.

We are required to obtain your consent to hold your information.

To ensure the smooth of running of the mission we ask you to complete the details below. Without your permission to store this information, we are required to remove your personal information from our systems.
